Hot Water Always Ready
No Waiting and No Wasting

"OHIO M"
INSTANTANEOUS WATER HEATER

It is mighty comfortable to know that with one of these heaters in your bathroom, or kitchen, or any other place, the hot water question is settled for all time.

You don't have to stop and think whether there's hot water on hand, how long you will have to wait, or to worry in case of an emergency.

You simply go to the heater, start it and draw at once a cupful or tubful of clean, fresh, hot water at whatever temperature you desire. There's no storage. It heats a flowing stream. No wasting of gas or water and no waiting.

This heater can be set any place because it requires neither flue pipe nor waste pipe.

Costs only \$40, installed, with 10 per cent discount for cash.

GUARDSMEN PRACTISE AT PARK FOR THE ANNUAL INSPECTION

Two Hundred Citizen Soldiers
Turn Out For Drill and
Field Maneuvers

Kapiolani park had the appearance of a big army camp yesterday when the Honolulu companies of the national guard, numbering more than 200 men and commanded by Col. William R. Riley, took the field for eight hours and did some strenuous work in preparation for the annual regimental inspection next month.

It was the biggest turn-out of citizen soldiery that Honolulu has seen in many months. In spite of the fact that only about half the regiment was present. At the close of the maneuvers, after the guardsmen had returned to the armory, Col. Riley complimented the officers and men on their work, expressing a desire that in the next field practice before inspection at least 450 will turn out.

Leaving the armory at 8 o'clock, the guardsmen boarded street cars at Alapai street and rode out to the park. Each man was equipped for heavy marching, carrying beside his gun a blanket roll, haversack, canteen, trenching tools, cartridge belt and bayonet. Arriving at the park tents were pitched in the polo field, each company having its own "street." Mess kits and other equipment were laid out in order and a rigid inspection was made by Col. Riley, 1st Lieut. W. C. Whitener, inspector-instructor of the guard, and the various officers.

Following the inspection the officers gathered for a brief conference to outline the plans for practice. The morning was devoted to company and squad drill. At noon the men lined up before the cook tent and received generous rations of "welshers," coffee, beans and bread, topped off with canned peaches for dessert.

'ANNETTE FILM' WILL BE SHOWN IN RETURN DATE

"Neptune's Daughter" will again be presented at Ye Liberty theater, commencing with Wednesday of this week. This picture is not only thrilling and sensational, depicting many daring feats, but gives Annette Kellerman an opportunity to display some wonderful acting.

In talking with Annette Kellerman about the joys of a moving picture actress, she said: "It is great sport---that is, for one who has to do a swimming and diving act of a thrilling nature and at the same time give the camera man a chance to register the connection between the work you are doing as part of the picture and to combat the forces of gravity which are determined to draw you down to the bottom of the sea. Bermuda is a beautiful spot, full of sunshine and flowers and likewise strange creatures which inhabit those waters, which are anything but enjoyable in the divers' estimation provided for me in making the picture in 'Neptune's Daughter.'"

SEE IF THE CHILD'S TONGUE IS COATED

Mother! Don't hesitate! If cross, feverish, constipated, give "California Syrup of Figs."

Look at the tongue, mother! If coated, it is a sure sign that your little ones stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels, without griping, and you have a well, playful child again.

You needn't coax children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages, and the grown-ups, plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

NIZEN TO BE WELCOMED.
(Special Cable to the Nippon Mail.)
TOKIO, Japan, Feb. 15.---A wireless message received here today from Capt. Kawakami of the Japanese battleship Nippon is that the vessel, which is returning to Japan after operations in Hawaii and South American waters, will arrive at the Yokohama naval station tomorrow. A rising welcome will be given the officers and men upon their arrival. The Nippon has been absent from Japanese waters since October, having been dispatched to Hawaiian waters to meet the German gunboat Oden, now interned at Honolulu.
